SUBSCRIPTION BUSING ONLINE REGISTRATION BEGINS MONDAY, MAY 2, 2016

May 2, 2016

You are receiving this letter because you have been identified as a family that may be eligible for subscription busing to school in Piscataway. While you may have received mandated busing in previous years, your eligibility may have changed if your child will attend a different district school for the 2016-17 school year. The determination of eligibility is based on calculations of distance from your home to your child's school.

The District provides free transportation to and from school for all students in Grades K-8 who reside more than two (2) miles from their assigned school, and students in Grades 9-12 who reside more than two-and-a-half (2.5) miles from their assigned school, in accordance with New Jersey state law, N.J.S.A. 18A: 39-1. Mileage measurement is based on the walking distance between your home and the first public entrance of the school. If you reside UNDER the stated mileage guidelines noted above, you are eligible to enroll in subscription busing for the 2016-17 school year at a cost of \$425 per child/per year.

Subscription busing registration begins on Monday, May 2nd and ends on Thursday, June 30th. Complete registration is based on payment in full, and subscription busing assignments are made on a first come, first served basis depending on availability of bus routes. All families who qualified for Free/Reduced Lunch during the 2015-16 school year will be eligible for subscription busing at a reduced rate with proper documentation/verification, and payment plans are available through the Business Office by calling 732-572-2289, ext. 2517.

For your convenience, online registration instructions are also printed on the reverse of this letter.

If you need assistance or have questions, please call the Transportation Department at 732-572-2289, ext. 2365.

Sincerely,

John Hernandez
Transportation Supervisor

Instructions for Subscription Busing Online Registration

Registration and payment for subscription busing for the 2016-17 school year will be available beginning Monday, May 2, 2016.

All subscription busing requests can be completed online at www.piscatawayschools.org with payment on or before June 30th. Assignment to routes, dependent on location of residence, will be based on a **first come, first served basis once application and payment is received**. Families with more than one child **attending the same school** will receive a 15% discount. Families who wish to participate in the subscription busing program must be registered to attend school in the district prior to applying. Families who prefer a paper application may obtain one by calling the Transportation Department at 732-572-2289, ext. 2365 or at the Enrollment Center in the Administration Building.

Once registered, all fees are non-refundable. Students will receive mail notification of their bus number and stop location assignment by the last week of August.

All subscription applications received after June 30th will be considered a "late application", and will be placed on a waiting list. Wait list applications will be reviewed after September 15th, and as seat(s) become available, your payment will be processed and we will notify you by mail of your child's bus assignment with details.
