Rodney Point-Du-Jour, Assistant Principal

Dear Eisenhower Families,

I am honored to welcome you back to another year of student-centered learning and personal growth at Eisenhower School. I hope this summer has brought everyone relaxing sunny days and joyful memories. As we know, this year presents itself differently in many ways from previous years. However, Eisenhower students know that new challenges are opportunities to grow. Our school community continues to be committed to providing a safe, welcoming learning environment in which your child will be supported in maximizing their potential. The crucial element in supporting our students in meeting their learning and personal goals is collaboration with our partners in the home. You have my commitment to always work together with the best interests of your children at the forefront.

Enclosed is a letter from your child's teacher to welcome them back to school. When the school year begins, please be sure to communicate often with your child's teacher and to reach out to them with any questions or concerns. I also encourage you to visit our school website, <https://eisenhower.piscatawayschools.org/> for important updates and helpful information throughout the school year. Our website has our **Student Supply List** under the "Parents" section, our district calendar, and other relevant information you may need.
